VOL. XIII. NO. 89 CHARLEROI, WASHINGTON CO., PA., TUESDAY, NOVEMBER 5, 1912 ONE CENT

RESULT IS IN DOUBT

Predictions Numerous Over the Keystone State Today

EVERYBODY IS HOPEFUL

With a seriousness that betokens an appreciation of the importance of the occasion voters are casting their ballots today expresing their choice of the man for chief executive of the nation, and for the man to fill the minor offices of state, district and county. Quiet reigns about the polls. It is believed the total vote in Charleroi will bea bout 1,100. The total registered number of voters is 1,825.

The various parties are making an effort to get out the votes in Charleroi today, and one is working about as hard as the other. There are all kinds of predictions as to how Charleroi will go, varying from a prognostication that Taft will lead to that of a Wilson sweep or a Rosoevlt majority. So far as can be learned there has been little betting on the results.

Pennsylvania is in the doubtful column. Even so partisian a Republican newspaper as the Pittsburg Gazette Times admits that. Whether the State as a whole will go Roosevelt, Taft or Wilson is a problem. Claim of the various chairman mean little. That there will be a pretty even distribution of votes throughout the State for the three leaders seems to be the sanest belief. Taft will poll a big vote, but so will Roosevelt and so will Wilson. Even the Socialist ticket will claim a big vote. In Washington county there is some doubt as to the results.

The following is the registration of voters in Charleroi borough, briefly showing the possibilities.

Charleroi, 1	485
Charleroi, 2	262
Charleroi, 3	182
Charleroi, 4	427
Charleroi, 5	207
Charleroi, 6	262
Total	1825

CONSTABLES MAKE THEIR RETURNS

The constables made quarterly returns at Washington Monday. There was nothing out of the ordinary in any of them. They were all turned over to the district attorney and after he looks over them and ascertains whether or not there is anything that he should take cognzance of in them he will turn them over to the clerk of the courts for filing. The majority of the officers of the county answered the roll cail.

Wedded at Cumberland.

Mike Spridik, of Charleroi and Mary Badzik, of Monessen were married at Cumberland, Md., Monday. They returned to Charleroi the same day and were tendered a midnight supper. They will make their home in Charleroi, the groom being employed at the Macbeth-Evans glass plant.

Enjoys Work With State

Prof. James G. Pentz Makes First Inspection Trip to This Community

To make an inspection of some country High Schools in this county, to exercise his prerogative as a citizen to vote and to visit friends, Prof. James G. Pentz, State High School inspector, is pending a day or so in this community. Prof Pentz and Prof. March, another State High School inspector, spent Monday in Pittsburg and the former came here Monday night. Tomorrow Prof. Pentz will visit Bealisville, Scenery Hill and Centerville High Schools.

Prof. Pentz says he likes his new work. He spends about four days a week making inspections and the balance of the week in office work at the State capitol.

LIMERICKS NUMEROUS

Many Try Hand at Verse Writing in the Mail Contest

With just two more weeks of the Limerick Contest now being conducted by the Mail, interest is unabated. No advertisers ever attracted so much attention, particularly among the women and children, as the ones who are in this contest. In every household the Limericks are eagerly watched for and read each week and the business place of each advertiser has been looked over for material for writing Limericks. If it is publicity that counts, the advertisers in the Limerick contest are most certainly getting it from the 5,000 or more people who read the Mail each day.

Following are the prize winners of the Limericks published last week:

Miss Evelyn M. Warrensford, one dollar prize for Limerick in advertisement of W. B. Pfleghardt, Furniture, Carpets, Rugs, Etc.

Miss Marie Whitehead, one dollar prize for Limerick in advertisement of Murdock & McCarty, Clothing and Men's Furnishing.

At the end of the two weeks the grand prize of $10 will be awarded to the one having written the largest number of prize winning Limericks. Here is an excellent chance for some one to win the best prize of all.

TAKEN SICK AT WASHINGTON

D. F. Mathers, the well known constable of North Charleroi, suffered a stroke of paralysis Monday while eating dinner at the City restaurant at Washington. He became ill while sitting on a stool and before any one could catch him he fell to the floor. A doctor was called and the stricken man was removed to a room upstairs. He was better in a short time and returned home.

R. S. Reed of New Castle, Ind., is stopping at the Hotel Charleroi for the week. He will demonstrate Hoosier Kitchen Cabinets for Pfleghardt's Store. See window display. 89-t1

ISSUE IS APRROVED

Highways of Now on Waiting List to Benefit by Money

$100,000 THE AMOUNT

At a meeting of the county commissioners and Controller John H. Moffitt held at Washington Monday it was decided to issue road improvement bonds to the amount of $100,000. Proposals for these bonds will be received at the commissioners' office on Wednesday morning, November 20.

This is not a special bond issue but the regular $100,000 allowed the county commisisoners each year for the purpose of road improvement. The commissioners had not yet taken advantage of this for the present year and if they had failed to make the issue before the end of 1912 they could not double the appropriation any other year.

Them oney secured from this bond issue will be applied to the improvement of roads now on the waiting list. On this waiting list are between 60 and 65 miles of road for which no provision has yet been made.

Roberta Jane Fram.

Roberta Jane Fram, daughter of Mr. and Mrs. Robert Fram, died Saturday night and the funeral was held Monday morning. The child was 22 months old and has been ill but a short time. Through a misunderstanding the name was given in Monday's issue of the Mail as Robert Fram.

WILL OPEN BIDS ON WEDNESDAY

School Board to Take Up Matter of New Builbing at Meeting This Week

Two important meetings are scheduled here for this week. One is that of council meeting tonight and the other is that of the school board tomorrow night. Whether council will hold their session o rnot is a question, owing to the excitement over the receiving of election returns. The school board is to open the bids tomorrow night on the construction of the new school building. An effort will be made at that time to pick from among the 40 or so bids the best one for the work.

NO JURY REPORTS

Necessary Sixteen Not on Hands to Take Up Regular Work

ELECTION THE CAUSE

For the first time in many years there were not sufficient grand jurors present at Washington out of 24 summoned to start the work of the November term Monday. It requires 16 for the grand jury to organize. It is presumed that on account of election day, and the codrt not sitting on that day, many of the jurors put off coming until Wednesday morning. The jurors present Monday were excused until Wednesday morning at 9 o'clock. Judge Taylor, however, directed Sheriff R. G. Lutton to notofy the absent grand jurors that they are expected to be on hand Wednesday morning.

MONONGAHELA COUNCILMANIC CHANGES MADE

At the meeting of joint councils at Monongahela Monday night H. K. Bentley handed in his resignation as a member of select council and John McFadden tendered his resignation as a member of common council. Mr. Bentley has removed to Fairview near Castle Shannon and Mr. McFadden has gone to Chicago. No successors were named Monday evening.

RETURNS TO BE RECEIVED HERE

Arrangements Made to Learn Presidential Returns at Various Places

Provisions are being made for receiving election returns tonight. A special wire will be run into headquarters of the Wilson and Marshall club on the third floor of the Masonic building at the corner of McKean avenue and Fifth street, where an operator will receive the press dispatches. The Pittsburg Post is making arrangements to give returns at the Palace Theatre, and the Elks will also receive returns at their club house for the benefit of their members. It is also probable that some of the other clubs about town will receive the returns during the night.

FEATURE PICTURE FOR COYLE THEATRE

"Caprices of Fortune," which is to be presented at the Coyle Theatre Thursday, is a pretty two part film of unusual merit. It is about a young man chasing the fickle goddess of fortune, and the pursuit takes him to the big steel mills at Homestead, to the southwest, in a Mexican cabaret and finally to the gold fields. How he succeeds is made manifest by the affections of a girl whose love he at first scorns. The scenic features alone make the film a wonderful production.

All who desire to again join the Charleroi Book Club will notify Mrs. E. C. Niver, 414 Washington avenue, Charleroi. 89-t1p

New Method Attractive

Local Church Innovation Being Closely Watched by Other Denominations

The new system of holding Sunday morning services put into effect some time ago at the First Methodist Episcopal church here is attracting much attention and nearly every visitors from other communities are here to observe the method of conducting the services. The system is a combination service of the Sunday school and church. Each Sunday morning the services begins at 10:30 o'clock, ending promptly at 12:15. A sermon of twenty minutes is preached by the pastor, and the regular Sunday School service held. By the new plan there is a conservation of time that is not realized in other churches. Representatives have been here from an Avalon church, a California church and a Waynesburg church. All were much pleased with the thoroughly progressive local plan.

The Portland conference will mark an epoch in the social and religious history of the world. No such affair has ever before been attempted on a world-wide scale. More than 100 of the world's greatest orators, thinkers and teachers will participate in the discussions. Among them will be W. J. Bryan, Gov. Woodrow Wilson, Justice Charles E. Hughes, Judge Ben Lindsay and other notables.

Mrs. Correll Dies.

SEWERAGE MAP DRAWN

North Charleroi Sewer System Plans Filed With State

HAS COUNCIL MEETING

A comprehensive sewerage map for the borough of North Charleroi has been sent to the State Department of Health for their approval, according to a report that was filed with the council of North Charleroi by Borough Engineer Alexander Gray at the regular meeting Monday night. The plans for the sewerage system were drawn with the idea in view that eventually a sewage disposal plant will have to be placed in use.

The ordinance committee of council was instructed to work with the borough solicitor in drawing up an ordinance for the grading and paving of Fourth street from the present paving at the school property to the west curb of Conrad avenue. The board walk committee was instructed to act in conjunction with the borough engineer in laying all side walks where property holders have not heeded notices recently sent out.

The report of the borough treasurer was received and approved. It was as follows:

Balance from last report	$4,961.19
Receipts for October	679.75
Total	$5,640.94
Disbursements	219.71
Balance in treasury	$5,421.23

Bills to the amount of $103.82 were ordered paid. Members of council present were: John F. Cope, Davis Woodward, Herman Neubling, T. P. Sloan, John Myers and Samuel Gaskill.

DEXTER VERY HEFTY LAD IN PENN CONTEST

When State College defeated the University of Pennsylvania at football Saturday, the one star who outshone all the rest was Dexter Very, the young engineer who last summer was an assistant here to Borough Engineer Alex Gray. The Philadelphia North American says of Very: "The blonde right end did everything except fly. On defense he pushed Penn ends and halfbacks out of the play as though they were so many stuffed dolls. No matter how intricate the formation, how clever the play, he instantly divided its destination and was always where it reached its crux, there to do what was needful to foil it. He tackled hard enough to separate the various vertebrae in the spines of his opponents and he was glued to the ball any time it happened to get loose on a fumble.

"On offense his work was equally notable. He made the longest individual run of the game a 30-yard gain. When for one period Mauthe was out Very did the kicking and punted superbly, either with or against the wind. In spite of all the work he did, Very never slowed up and at the finish was driving ahead just as hard as at its start."

Others who were prominently mentioned by the North American as stars were Engle of Roscoe and Lamb of California.

J. K. Tener, Pres. S. A. Walton, Vice Pres. R. H. Rush, Cashier.

THE ELEVENTH HOUR.

By the time this issue of the Mail reaches its readers the most of the electors within its jurisdiction will have cast their ballots. There will still be a large number yet to vote between the hours of five and seven o'clock, and it is these eleventh hour voters who will in a measure decide the result. They are the workers who cannot cast their ballots until their daily toil is over, and the economic policy they thus indorse will be the ruling factor in determining steadiness of employment and rate of wages.

This being the case it behooves these electors to base their action at the polls wisely In this state the great majority of the voters have been Republicans, and Pennsylvania, particularly the Monongahela valley has profited exceedingly by the wise provisions of the protective policy to industry and labor. The prosperity at the present time is unprecedented. Why, then, should the voters cast their ballots for a change of policy that is very likely to throw things into industrial chaos and check the splendid start along the route of prosperity that has been made? This is a matter for the eleventh hour voters to consider. They are at the parting of the ways. A wrong decision at this time may be fatal.

PICKED UP IN PASSING

It is stated that J. Adam Bede, a former congressman of Minnesota, whom Governor Tener tried to get to speak at the Republican rally here last week, was once interrupted in a speech during the campaign by a man who yelled:

"How about the high cost of living?"

Mr. Bede stopped his address and made the man answer the question by asking him others, and the following dialogue took place:

"Are you a farmer?"

"Yes."

"Did you sell a horse in 1896?"

"Yes, I sold a good horse for $40."

"Have you sold one recently?"

"Yes, I sold one last week for $225."

"Was it a better horse than you sold in 1896?"

"No, the one I sold in 1896 was a much better animal."

Mr Bede then went on with his speech, and was not again interrupted.

A CORROBORATION

Of Interest to Charleroi Readers.

For months Charleroi citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills. Charleroi people endorse. Would the prominent people recommend a remedy that had not proven reliable? Would they sign such statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than our statements of the test of time. The following statement should carry conviction to the mind of every Charleroi reader.

Mrs. Ella Ray, 121 Prospect avenue, Charleroi, Pa., says: "I can speak as highly of Doan's Kidney Pills at the present time as when I publicly recommended them in 1907. At that time I told of the great benefit a member of my family received from the use of this remedy, procured at Piper Bros.' Drug Store and on several occasions since then, the person referred to has taken it with the best of results.'

If you don't know much about California Homes and FARMS you owe it to yourself to learn NOW!

CATTLE CROSSING OVER IRRIGATING CANAL

HOME and social life in Northern California is the most pleasant because there are more bright days than in Southern Italy, and there is every convenience for bringing people together.

FARMS in the Sacramento Valley produce many more times net profit to the acre than Eastern farms because the soil is the best, sun shines every day, and there is plenty of good water for irrigating, with proper drainage.

ORANGES, potatoes, alfalfa and all fruits, grains, grasses and vegetables mature earlier in Northern California than in any part of the world.

STOCK and ***POULTRY*** are easier to raise and produce more because the climate is healthful and green feed grows in abundance.

MARKETS are very near, with cheap railroad and river transportation, making financial success sure.

If interested, we urge you to write us today and learn of people who are making big money there now.

Let us know what you wish most to be informed about and get an instructive reply.

Don't delay, every day now sees new settlers moving on this land, as it is ready for seed, and the best farms go first.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is a specific for eczema as quinine for malaria. I have been prescribing the D.D.D. remedy for years." It will take away the itch the instant you apply it.

In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a $1 bottle on our guarantee that it will cost you nothing unless you find that it does the work.

Limericks—short verses of poetry—must contain at least four lines and to win a prize must contain the name of the advertiser, some article he sells or some other catchy allusion that will please the advertiser. Two prizes of One Dollar each will be given each week for the two best Limericks published. The Contest will continue TEN WEEKS IN TUESDAY'S ISSUE. At the end of that time TEN DOLLARS IN GOLD will be given to the person writing the largest number of prize winning Limericks. Think 'em up. It's easy. Read the model Limericks this week. Hundreds of other Limericks submitted by our readers will be published besides the prize winners. Even if you don't enter the contest, watch this page every week for entertainment for the family. YOUNG WIFE SAVED FROM HOSPITAL

Tells How Sick She Was And What Saved Her From An Operation.

Upper Sandusky, Ohio.—"Three years ago I was married and went to housekeeping. I was not feeling well and could hardly drag myself along. I had such tired feelings, my back ached, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so, when I saw your advertisement in a paper, I wrote to you for advice, and have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound and Liver Pills, and now I have my health.

Predictions Numerous Over the Keystone State Today

EVERYBODY IS HOPEFUL

With a seriousness that betokens an appreciation of the importance of the occasion voters are casting their ballots today expressing their choice of the man for chief executive of the nation, and for the man to fill the minor offices of state, district and county. Quiet reigns about the polls. It is believed the total vote in Charleroi will bea bout 1,100. The total registered number of voters is 1 825

The various parties are making an effort to get out the votes in Charleroi today, and one is working about as hard as the other. There are all kinds of predictions as to how Charleroi will go, varying from a progrostication that Taft will lead to that of a Wilson sweep or a Roosevlt majority. So far as can be learned there has been little betting on the results

Pennsylvaria is in the doubtful column. Even so partisian a Republican newspaper as the Pittsburg Gazette Times admits that. Whether the State as a whole will go Roosevelt, Taft or Wilson is a problem Claim of the various chairman mean little. That there will be a pretty even distribution of votes throughout the State for the three leaders seems to be the sanest belief Taft will poll a big vote, but so will Roosevelt and so will Wilson. Even the Socialist ticket will claim a big vote In Washington county there is some doubt as to the results.

The following is the registration of voters in Charleroi borough, briefly showing the possibilities

CONSTABLES MAKE THEIR RETURNS

The constables made quarterly returns at Washington Monday. There was nothing out of the ordinary in any of them. They were all turned over to the district attorney and after he looks over them and ascertains whether or not there is anything that he should take cognzance of in them he will turn them over to the clerk of the courts for filing. The majority of the officers of the county answered the roll call.

Wedded at Cumberland.

Mike Spridik, of Charleroi and Mary Badzik, of Monessen were married at Cumberland, Md., Monday. They returned to Charleroi the same day and were tendered a midnight supper. They will make their home in Charleroi, the groom being employed at the Macbeth-Evans glass plant.

LIMERICKS NUMEROUS

Many Try Hand at Verse Writing in the Mail Contest

With just two more weeks of the Limerick Contest now being conducted by the Mail interest is unabated No advertisers ever attracted so much attention, particularly among the women and children, as the ones who are in this contest. In every household the Limericks are eagerly watched for and read each week and the business place of each advertiser has been looked over for material for writing Limericks. If it is publicity that counts, the advertisers in the Limerick contest are most certainly getting it from the 5,000 or more people who read the Mail each day.

Following are the prize winners of the Limericks published last week:

Miss Evelyn M. Warrensford, one dollar prize for Limerick in advertisement of W. B. Pfleghardt, Furniture, Carpets, Rugs, Etc.

Miss Marie Whitehead, one dollar prize for Limerick in advertisement of Murdock & McCarty, Clothing and Men's Furnishing.

At the end of the two weeks the grand prize of $10 will be awarded to the one having written the largest number of prize winning Limericks Here is an excellent chance for some one to win the best prize of all.

TAKEN SICK AT WASHINGTON

D. F. Mathers, the well known constable of North Charleroi, suffered a stroke of paralysis Monday while eating dinner at the City restaurant at Washington. He became ill while sitting on a stool and before any one could catch him he fell to the floor A doctor was called and the stricken man was removed to a room upstairs. He was better in a short time and returned home.

ISSUE IS APRROVED

Highways of Now on Waiting List to Benefit by Money

$100,000 THE AMOUNT

At a meeting of the county commissioners and Controller John H. Moffitt held at Washington Monday it decided to issue road improvement bonds to the amount of $100,000. Proposals for these bonds will be received at the commissioners' office on Wednesday morning, November 20.

This is not a special bord issue but the regular $100,000 allowed the county each year for the purpose of road improvement. The commissioners had not yet taken advantage of this for the present year and if they had failed to make the issue before the end of 1912 they could not double the appropriation any other year.

Them oney secured from this bord issue will be applied to the improvement of roads now on the waiting list. On this waiting list are between 60 and 65 miles of road for which no provision has yet been made.

Roberta Jane Fram.

Roberta Jane Fram, daughter of Mr. and Mrs. Robert Fram, died Saturday night and the funeral was held Monday morning. The child was 22 months old and has been ill but a short time Through a misunderstanding the name was given in Monday's issue of the Mail as Robert Fram.

School Board to Take Up Matter of New Builbing at Meeting This Week

Two important meetings are scheduled here for this week. One is that of council meeting tonight and the other is that of the school board tomorrow night. Whether council will hold their session o rnot is a question, owing to the excitement over the receiving of election returns. The school board is to open the bids tomorrow night on the construction of the new school building. An effort will be made at that time to pick from among the 40 or so bids the best one for the work.

Mrs. D. Waggoner has gone to Toronto, Onio, to visit her son Harry Waggoner.

Mrs. George Woodhall has gone to Columbus, Ohio, to visit friends.

ELECTION THE CAUSE

For the first time in many years there were not sufficient grand jurors summoned to start the work of the November term Monday. It requires 16 for the grand jury to organize It is presumed that on account of election day, and the court not sitting on that day, many of the jurors put off coming until Wednesday morning

cused until Wednesday morning at 9 o'clock. Judge Taylor, however, directed Sheriff R. G. Linton to notify the absent grand jurors that they are expected to be on hand Wednesday morning.

MONONGAHELA COUNCILMANIC CHANGES MADE

RETURNS TO BE RECEIVED HERE

Arrangements Made to Learn Presidential Returns at Various Places

Provisions are being made for receiving election returns tonight. A special wire will be run into headquarters of the Wilson and Marshall club on the third floor of the Masonic building at the corner of McKean avenue and Fifth street, where an operator will receive the press dispatches. The Pittsburg Post is making arrangements to give returns at the Palace Theatre, and the Elks will also receive returns at their club house for the benefit of their members. It is also probable that some of the other clubs about town will receive the returns during the night

FEATURE PICTURE FOR COYLE THEATRE

"Caprices of Fortune," which is to be presented at the Coyle Theatre Thursday, is a pretty two part film of unusual merit. It is about a young man chasing the fickle goddess of fortune, and the pursuit takes him to the big steel mills at Homestead, to the southwest, in a Mexican cabaret and finally to the gold fields. How he succeeds is made manifest by the affections of a girl whose love he at first scorns. The scenic features alone make the film a wonderful production.

New Method Attractive

Local Church Innovation Being Closely Watched by Other Denominations

The new system of holding Sunday morning services put into effect some time ago at the First Methodist Episcopal church here is attracting much attention and nearly every visitors from other communities are here to observe the method of conducting the services. The system is a combination church. Each Sunday morning the services begins at 10:30 o'clock, ending promptly at 12.15. A sermon of twenty minutes is preached by the pastor, and the regular Sunday School service held. By the new plan there is a conservation of time that is not

SEWERAGE MAP DRAWN

North Charleroi Sewer System Plans Filed With State

HAS COUNCIL MEETING

A comprehensive sewerage map for the borough of North Charleroi has

Health for their approval, according to a report that was filed with the council of North Charleroi by Borough Engineer Alexander Gray at the regular meeting Monday night. The plans for the sewerage system were drawn with the idea

posal plant will have to be placed in use.

The ordinance committee of council was instructed to work with the borough solicitor in drawing up an ordinance for the grading and paving of Fourth street from the present paving at the school property to the west curb of Conrad avenue. The board walk committee was instructed to act in conjunction with the borough engineer in laying all side walks where property holders have not heeded notices recently sent out.

The report of the borough treasurer was received and approved. It was as follows:

Balance from last report	$4.961.19
Receipts for October	679 75
Total	$5,640.94
Disbursements	219.71
Balance in treasury	$5,421.23

Bills to the amount of $103.82 were ordered paid. Members of council present were: John K. Cope, Davis Woodward, Herman Neubling, T. P. Sloan, John Myers and Samuel Gaskill.

DEXTER VERY HEFTY LAD IN PENN CONTEST

When State College defeated the University of Pennsylvania at football Saturday, the one star who outshone all the rest was Dexter Very, the young engineer who last summer was an assistant here to Borough Engineer Alex Gray. The Philadelphia North American says of Very: "The blonde right end did everything except fly. On defense he pushed Penn ends and halfbacks out of the play as though they were so many stuffed dolls. No matter how intricate the formation, how clever the play, he instantly divided its destination and was always where it reached its crux, there to do what was needful to foil it. He tackled hard enough to separate the various vertebrae in the spines of his opponents and he was glued to the ball any time it happened to get loose on a fumble.

"On offense his work was equally notable. He made the longest individual run of the game a 30-yard gain. When for one period Mauthe was out Very did the kicking and punted superbly, either with or against the wind. In spite of all the work he did, Very never slowed up and at the finish was driving ahead just as hard as at its start."

Others who were prominently mentioned by the North American as stars were Engle of Roscoe and Lamb of California.

J. K. Tener, Pres. S. A. Walton, Vice Pres. R. H. Rush, Cashier.

THE ELEVENTH HOUR.

By the time this issue of the Mail reaches its readers the most of the electors within its jurisdiction will have cast their ballots. There will still be a large number yet to vote between the hours of five and seven o'clock, and it is these eleventh hour voters who will in a measure decide the result. They are the workers who cannot cast their ballots until their daily toil is over, and the economic policy they thus indorse will be the [illegible] ness of employment and rate of wages.

This being the case it behooves these electors to base their action at the polls wisely In this state the great majority of the voters have been Republicans, and Pennsylvania, particularly the Monongahela valley has profited exceedingly by the wise provisions of the protective policy to industry and labor. The prosperity at the present time is unprecedented. Why, then, should the voters cast their ballots for a change of policy that is very likely to throw things into industrial chaos and check the splendid start along the route of prosperity that has been made? This is a matter for the eleventh hour voters to consider. They are at the parting of the ways. A wrong decision at this time may be fatal.

PICKED UP IN PASSING

It is stated that J. Adam Bede, a former congressman of Minnesota, whom Governor Tener tried to get to speak at the Republican rally here last week, was once interrupted in a speech during the campaign by a man who yelled:

"How about the high cost of living?"

Mr. Bede stopped his address and made the man answer the question by asking him others, and the following dialogue took place:

"Are you a farmer?"

"Yes."

"Did you sell a horse in 1896?"

"Yes, I sold a good horse for $40."

"Have you sold one recently?"

"Yes, I sold one last week for $225."

"Was it a better horse than you sold in 1896?"

"No, the one I sold in 1896 was a much better animal."

Mr. Bede then went on with his speech, and was not again interrupted.

We can do the same as they,
And departing leave behind us
What we cannot take away.

A CORROBORATION

Of Interest to Charleroi Readers.

For months Charleroi citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Charleroi residents. Would those prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Charleroi reader

Mrs. Brice Ray, 121 Prospect avenue, Charleroi, Pa., says: "I can speak as highly of Doan's Kidney Pills at the present time as when I publicly recommended them in 1907. At that time I told of the great benefit a member of my family received from the use of this remedy, procured at Piper Bros.' Drug Store and on several occasions since then, the person referred to has taken it with the best of results.'

CATTLE CROSSING OVER IRRIGATING CANAL

HOME and social life in Northern California is the most pleasant because there are more bright days than in Southern Italy, and there is every convenience for bringing people together.

FARMS in the Sacramento Valley produce many more times net profit to the acre than Eastern farms because the soil is the best, sun shines every day, and there is plenty of good water for irrigating, with proper drainage.

ORANGES, potatoes, alfalfa and all fruits, grains, grasses and vegetables mature earlier in Northern California than in any part of the world.

STOCK and ***POULTRY*** are easier to raise and produce more because the climate is healthful and green feed grows in abundance.

MARKETS are very near, with cheap railroad and river transportation, making financial success sure.

If interested, we urge you to write us today and learn of people who are making big money there now.

Let us know what you wish most to be informed about and get an instructive reply.

Don't delay, every day now sees new settlers moving on this land, as it is ready for seed, and the best farms go first.

Consumptives Helped by Tuberculosis Medicine

It is folly to believe that Consumption differs from every other disease in not requiring the use of any medicine for its treatment. For a number of years an enormous mass of voluntary and thankful testimonials from persons who consider that they owe their lives to Eckman's Alterative, a medicine for Tuberculosis, has been accumulating. Surely plenty of time to demonstrate its lasting value. You can write to any of them. Here is one:

5922 Girard Ave., Phila., Pa.

"Gentlemen: In the winter of 1903 I had an attack of Grippe, followed by Pneumonia and later by Consumption. I grew steadily worse. In the winter of 1907 I had night sweats, fever and raised quantities of awful-looking stuff and later I had many hemorrhages; at one time three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the best climes, but did not go. Eckman's Alterative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends."

(Sworn affidavit ANNE E. LOUGHRAN.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. I have been prescribing the D.D.D. remedy for years." It will take away the itch the instant you apply it.

In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a $1 bottle on our guarantee that it will cost you nothing unless you find that it does the work.

YOUNG WIFE SAVED FROM HOSPITAL

Tells How Sick She Was And What Saved Her From An Operation.

Upper Sandusky, Ohio.—"Three years ago I was married and went to housekeeping. I was not feeling well and could hardly drag myself along. I had such tired feelings, my back ached, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so, when I saw your advertisement in a paper, I wrote to you for advice, and have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound and Liver Pills, and now I have my health.

"If sick and ailing women would only know enough to take your medicine, they would get relief."—Mrs. BENJ. H. STANSBERY, Route 6, Box 18, Upper Sandusky, Ohio.

If you have mystericus pains, irregularity, backache, extreme nervousness, inflammation, ulceration or displacement, don't wait too long, but try Lydia E. Pinkham's Vegetable Compound now.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy and should give every one confidence.
